

THE ORGANIZING COMMITTEE

The **MICFootball7'23** is organized by **Agrupació Esportiva MICFootball** and governed according to Futbol 7 rules from *Federació Catalana de Futbol*.

CATEGORIES

U12: *Players born after 01-01-2011*

U11: *Players born after 01-01-2012*

U10: *Players born after 01-01-2013*

U9: *Players born after 01-01-2014*

U8: *Players born after 01-01-2015*

Exceptions

- In the categories U11 and U9 is allowed to enroll up a maximum of 1 player born after the previous year to the category in question.

DOCUMENTATION

Before the start of the competition, each team must deliver signed to the organization, an original listing certifying that the data of the first name, last name and date of birth of the registered players are correct.

The head of each team will receive from the organization ten copies (10) of the list of players. Before each match, one of these lists, it must be delivered to a director or sub-director of field indicating the number of dorsal which players carry during the match.

All players must be identified with the federal license in force, DNI, passport or other official document certifying the age with photography.

The revision of documentation will be made before the start of the competition, but also if the circumstances require it the organization it can be repeated at any time.

If any team line up a player that does not comply with the requirements that marks the regulation, the team will lose the match by 3 to 0.

NUMBER OF PLAYERS AND SUBSTITUTES

There is no limitation on the maximum number of registered players per game.

The changes are free without having to stop the game, always under authorization of the director, sub-director of field or the referee. We will only stop the game if the replaced player is the goalkeeper or if the referee or field director sees it convenient. All substituted player may re-enter. It is allowed to line up a player in different teams of the same club if they are of a lower category. In any case you can rank a player of a higher category. To line up the same player must have passed 5 hours between the end of one match and the beginning of another. In any case, a player may play the competition with two different clubs or two teams from the same club participating in the same category.

PLAYING FIELDS

All fields are natural or artificial turf of maximum quality.

BALLS

All games will be played with balls (size 4). Organizers will not lend any balls to the teams to warm up. We recommend to the teams to have their own training material.

UNIFORMS

Every team must have, at least, two uniforms with numbers or one uniform and a set of bibs with numbers. All shirts must have a number and the numbers will have to be the same as in the players' list. It is recommended to keep the same number along the tournament.

Teams are wearing official home uniform agreed before the beginning of the competition. If the uniforms of both teams have the same/similar colours or the referee decides it could be confusing, the team playing as visitor will have to change their uniform (mentioned in the second place on the competition calendar).

GAME PROGRAM

The Organizing Committee reserves the right to make changes in the program of game, both in regard to timetables as playing fields. The information of the changes will be communicated to the person responsible for the teams.

DURATION OF THE GAMES

All games will have a duration of 12 minutes for part.

The tournament committee is authorized to alter the duration and the time if circumstances so require. In the middle of the matches only there will be a change in field, except that in the final, in which there will be a break of 3 minutes.

PUNCTUALITY

The teams must be prepared in the field 30 minutes before each match.

In the event that a team is not present, the result of the match will be 3-0 in favor of the rival team. It may also be removed from the competition.

COMPETITION SYSTEM

a. CLASSIFICATION ROUND

Teams will be distributed in groups of 4 teams each one.

During this entire round all the teams will play between them in a league format (one game).

b. FINAL ROUND

The best teams from the Classification Round will play this round.

The matches will be played according to the cup system (direct elimination) and will be decided without extra time, by penalties according to FIFA rules.

c. CONSOLATION ROUND

Teams that had not been qualified for Final Round will play this round.

The matches will be played according to the cup system (direct elimination) and will be decided without extra time, by penalties according to FIFA rules.

***The system of competition may change depending on the number of participating teams.**

SCORE FOR THE LEAGUE OF CLASSIFICATION PHASE

- Match Won: 3 points
- Tied match: 1 point.
- Lost match: 0 points.

In the case of a tie between two teams

1. Goal-average particular.
2. Goal-average general.
3. Number of goals in favor.
4. Younger team.

In the case of a tie between more than two teams*

1. Points earned in the games played between the teams involved.
2. Goal-average of the games played between the teams involved.
3. Number of goals in favor in the games played between the teams involved.
4. Goal-average general.
5. Number of goals in favor in the general classification of the group
6. Younger team

***If the tie at some point becomes two teams, then is considered to be "a tie between two teams" and should be break ties according to the appropriate criteria.**

SHOOTOUT TO UNDO DRAWS

Will be made in accordance with the rules of the FIFA. The teams will launch a penalty shoot-out, one by one alternately (3 in the categories of Football-7). If you keep the equality, will be passed to the sudden death. The teams will launch a penalty alternately until one mark and the other fails.

Only players who are in the field at the end of the match can participate in the shootout. Each penalty shall be executed by a different player. Only after that each one of the members of the team has shoot a penalty, players will be able to launch a second penalty.

PLAYOFFS DEFINITION FROM THE PENALTY SHOT

A goalkeeper who suffers an injury during the execution of the penalty shootout and not be able to continue playing, may be replaced by an alternate designated.

Any player eligible may change of position with the goalkeeper at any time during the execution of the penalty shootout.

If, at the end of the match and before you start the shots from the penalty spot a team has more players than he's adversary, they should reduce their number of players to match the same of their adversary, and the responsible of the equipment shall communicate to the director of field and the arbitrator the name and the number of each player excluded. Thus, every player excluded will not be able to participate in the launch of shots from the penalty spot.

All available players, according to the rules, to run the penalty shootout, should be placed in the central circle, with the exception of the two goalkeepers and the player who kick the penalty. The rest of the players and the managers must remain in the technical area.

MIC'S COMPETITION COMMITTEE

The Competition Committee of the **MICFootball7** is composed of 4 people, representatives of the organization. The affairs of protests and complaints are handled by the Competition Committee and their writing resolutions may not appeal or change.

SANCTIONS

All expulsions will be reported at the end of the match to the Competition Committee who shall communicate the sanctions to the person responsible of the team in question.

The expulsions techniques such as: tactic fault holding the rival for the t-shirt, fault being last player in play manifested in goal, double strike ..., under check the Competition Committee, will not be punished for the next match.

In other expulsions as insulting, give a kick disproportionate, assaulting a contrary, etc., the player will be automatically suspended for the next match and depending on the severity of the action could be punished for several matches. All cases of expulsion serious will be reported to the national federation of the country of the player affected.

The behaviors, regardless that may succeed in or out the playing field, could lead to the exclusion of a player or team in the competition.

All sanctions, both players and coaches, will be referred to as such.

MATCH SUSPENDED:

If a match is suspended by any incident and/or incidence, the Competition Committee shall decide on the following parameters, taking into account the reason for the suspension.

- The becomes to play from the beginning.
- The party is still playing from the minute when he was suspended.
- The result of the party to suspend it is fixed as a final result.
- One of the teams win 3-0
- The two teams lose the match (0-3).
